

# OPEN DURHAM OPEN HOUSE

**MONDAY, FEBRUARY 27<sup>th</sup>, 5:30-7PM – MAIN LIBRARY, COMPUTER LAB (ROOM 3205)**

**Your story is part of Durham history - add it to our city's growing online community archive!**

Volunteers with the digital history project [OpenDurham.org](https://OpenDurham.org) host this drop-in meeting to help participants record memories, upload photographs, and document neighborhood development. Open to everyone from experienced to first-time contributors. If you have them, please bring materials you would like to digitize and personal computers for use in uploading to the website. A limited number of Library laptops will also be available. Participants will also have the opportunity to visit the [North Carolina Collection](#) and learn more about the local history resources available there.
