It's not every day you discover you might be related to Anastasia...or that the tragic princess actually survived her assassination attempt and has been living as the woman you know as Aunt Anna.

For Jess Morgan, who is growing tired of living her life to please everyone else, discovering her late aunt's diaries shows her she's not the only one struggling to hide who she really is. But was her aunt truly a Romanov princess? Or is this some elaborate hoax?

With the help of a supremely dorky but undeniably cute local college student named Evan, Jess digs into the century-old mystery.

But soon Jess realizes there's another, bigger truth waiting to be revealed: Jess Morgan. Because if she's learned anything from Aunt Anna, it's that only you can write your own story.
